IT'S THE DISCREET LOOKING POOL COVER FOR YOUR POOL

Extend your summer and enjoy your pool longer with the all new Poolview™ solar blanket, exclusive to Elite Pool Covers. The translucent colour of the Poolview™ blanket blends into its surrounding environment, creating the illusion of not having a pool cover at all!

Poolview™ is manufactured using the exclusive Elite SaltSafe®, Chlorsafe and Super Bubble® technology meaning the Poolview™ pool cover insulates better than other blankets available on the market, Elite Poolview™ also lasts longer.

- Poolview™ has been uniquely formulated to last years in Australia's harsh environment.
- Poolview™ reduces evaporation by almost 100% during summer months. (Upto 10,000 Ltrs per month)
- Solar heats for free, giving you extra time in the pool.
- Keeps your pool cleaner
- Heavy duty 550 micron blanket with Elite's 10 Year Pro-rata Warranty
