## Elite Hideaway™ Commercial Pool Blanket & Roller Storage System

### Easy on the eye, easy to use ...and out of sight

Hide your pool blankets out of sight with the award winning commercial Elite Hideaway™

This custom designed and engineered system can be built as part of the pool plinth, or set in the pool deck behind the pool.

The Elite Hideaway™ is best installed at the time of pool construction, or when renovating your pool.

The Elite Hideaway™ Pool Cover system not only is aesthetically pleasing but it saves time, money and our most precious resource, water.

The Elite Hideaway™ is manufactured from the finest quality materials available, and the lockable lid comes with a choice of non-slip inserts in a range of pleasing colours.

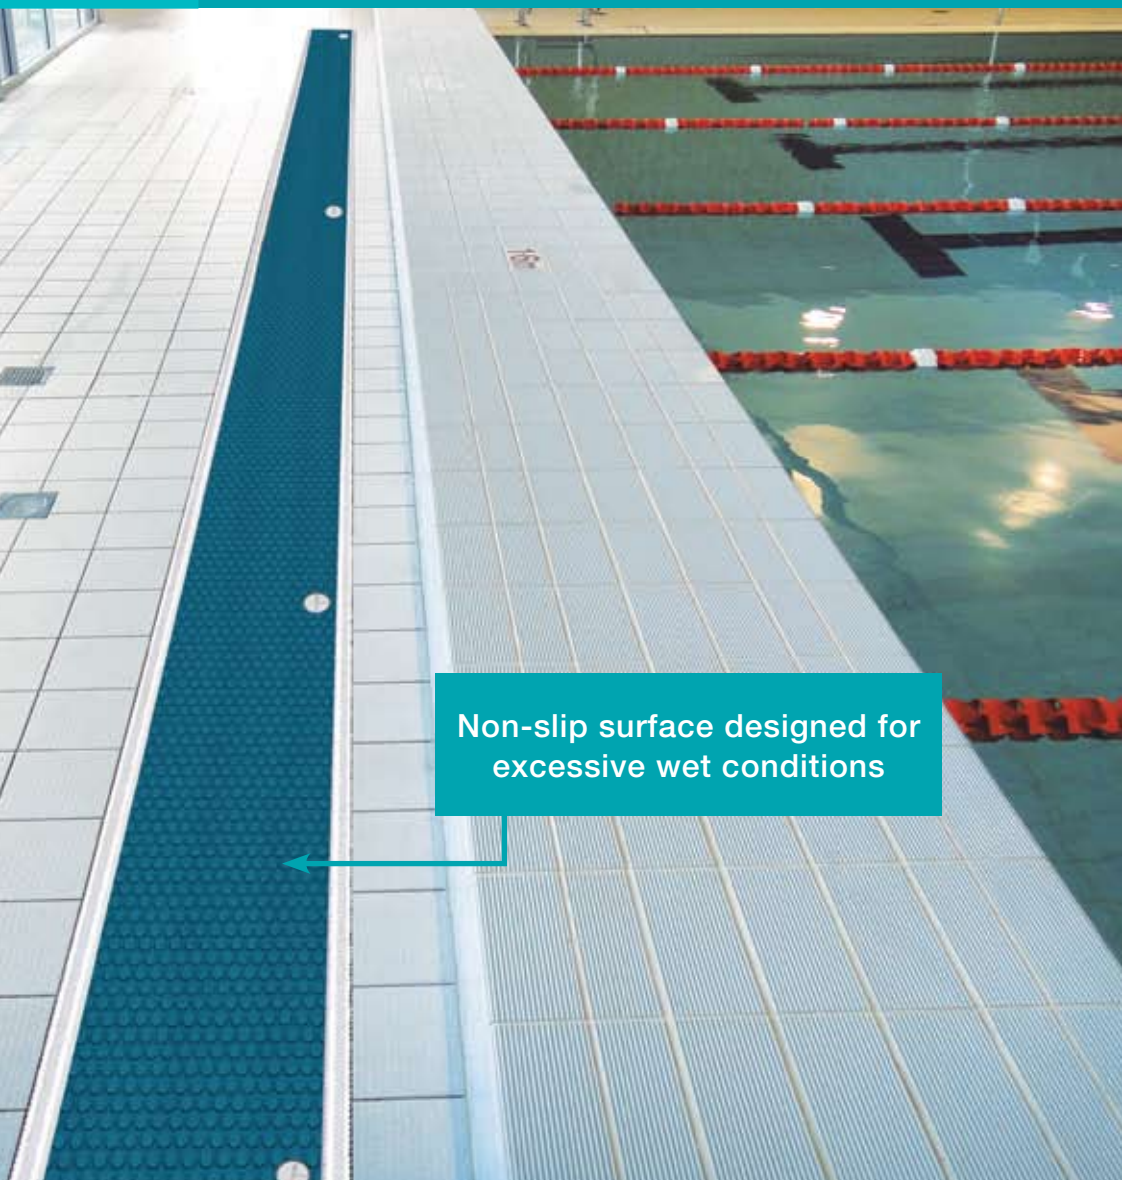

The Hideaway™ system is operated by the Elite Blanket Buddy System with very little effort.

- No more unsightly pool blankets around the pool deck, taking up valuable space
- Motorised operation - for ease of use
- Blankets will last longer due to no abrasion or UV damage
- Vandalism is minimised
- Can hold 25 metre and 50 metre bubble or thermal type blankets
- Designed and manufactured in Australia by Elite Pool Covers
- Cover up and save with Elite
